

**Imagine if your child... or a child that you know... has been diagnosed with a life-threatening illness.**

Normal, everyday routines like going to school and playing with friends are completely forgotten as this precious child's life is turned upside down with treatments, surgeries, countless needles and endless hospital stays. Since 1982, The Rainbow Society has had the privilege of providing dreams to courageous children who are dreaming beyond their illness. These children have known pain and suffering beyond their years. Your wedding day will leave you with lasting memories, but now you can help create some lasting memories for a very sick child.

**A kiss for a dream**

Did you know your guests can help make dreams come true too? Many weddings have a tradition of clinking the wine glasses or ringing of bells by guests that precedes a kiss by the happy newlyweds. However, The Rainbow Society realizes couples are becoming more and more creative in finding ways to initiate this kiss. Why not ask your guests to make a donation to The Rainbow Society? This idea helps make dreams come true and gets the kiss in! The bigger the donation the better the kiss.

It’s all very simple! Just contact us. Let us know that you want “A kiss to build a dream” at your wedding and we will provide you with everything you need to make it a success.
